Tuition and Fees

Learning music takes patience, time, regular practice, and regular guidance from a teacher. In order to make the most of your musical study, you must be willing to persevere through challenging and rewarding learning activities. In our studio, we ask you to make the commitment to complete a year's study. When you make this commitment, the instructor will reserve a time in their schedule for your lesson every week, and guarantee that a spot in the studio will be available for you for 12 months from your first date of enrollment. See more details about Tuition and Fees in the **Studio Policy**.

Tuition for the year covers forty-five (45) weeks of lessons. Please see the Calendar for specific dates for the 2023-2024 year.

Lessons

An **\$80 Resource and Activity Fee** is assessed annually, in addition to the tuition. See the **Studio Policy** for more details.

A **\$40 Enrollment Fee** is assessed for first time students. This is a one time fee and will not be assessed to continuing students with no lapse in registration.

Length	Monthly
30 Minutes	\$150
45 Minutes	\$225
60 Minutes	\$300

Important

- The **Enrollment Fee**, first month's **Tuition** and the **Resource and Activity Fee** are due at the first lesson.
- Checks should be made out to Thomas Effinger.
- Tuition is not refunded for missed or cancelled lessons.

By signing below, you indicate that you have read, understand, and agree to the terms set forth in this **Registration** form, and the **Studio Policy**.
